

**Using Sustainable Resources**

**Lessens Adverse Environmental Effects**

Russo's Catering has made significant progress towards becoming a sustainable catering operation. Our passion for the environment and high quality ingredients has led us to the following sustainable catering solutions...

**Paperless Invoicing**

In order to better serve our customers, Russo's Gourmet Express offers delivery of order confirmations and invoices via email. Traditional, paper-based delivery is available upon request.

**Innovative Kitchen Technologies Closed Loop Oil System**

The RTI closed-loop oil management system allows restaurants to replenish, filter and dispose of cooking oil by providing an environmentally sound approach to distribution.

**Eco-Forward Paper Products**

**Plates** - Made from 100% recyclable molded fiber materials

**Cups** - Made from 90% renewable resources

**Box Lunch Containers** - Made from recycled paperboard

**Napkins** - Chlorine free 100% recycled content

**Fork, Knife & Spoon** - Made from 100% recyclable sugar cane product

Natural kraft paper stock • Chlorine-free pulp

Soy-blended wax products • Reduced carbon footprint

**Food Donation**

Operation Food Search - [www.ofsearch.org](http://www.ofsearch.org)

**Local Foods**

We make every effort to use locally grown produce and organic products.

**Introducing Catering Perks,  
Earn up to 10% Rewards**

**How Does It Work?**

- Points are earned at a rate of 1 point for every dollar spent on food & beverages ordered from Russo's Gourmet Express.
- Russo's will automatically credit points to your account quarterly.
- Rewards are based on the cumulative total of your purchases & rewards will be issued every 3 months at the earned award level.

**How Do I Get Started?**

It's simple, visit [russosgourmet.com](http://russosgourmet.com) for more information or to sign up. After you sign up for an account, a Catering Perks Card will be mailed to you and will begin issuing qualifying rewards to your card at the end of each quarter.
